CELEBRITY QUOTES

Ashton Kutcher on "LIVE with Regis and Kelly"/ ABC national, August 10, 2009 after attending *Fuerza Bruta: Look Up* with Demi Moore:

"We went to this show yesterday. We ended up seeing this show *Fuerza Bruta*. It's UNBELIEVABLE! This show blew my mind! It's bananas. That show was fantastic. We went last night. It was just amazing. We loved it. We had an absolute blast; it was beautiful."

Kelly Ripa on "LIVE with Regis and Kelly"/ABC national, August 10, 2009:

"It is the greatest show ever! I'm not kidding. If you haven't seen it, you should go see it because it will blow your mind."

Tyra Banks on "American's Next Top Model, national, April 2, 2008:

"So you had a photo shoot at *Fuerza Bruta*! We had a shoot planned for you...something totally different. Then I attended that Off-Broadway play and was BLOWN AWAY!"

Neil Patrick Harris on "LIVE with Regis and Kelly"/ABC national, February 15, 2008:

"Do you see a lot of shows? Two recommendations: *August Osage County* and I'm into the environmental theater...there's one by the guys who did *De La Guarda*. It's a show called *Fuerza Bruta* and it's at the Daryl Roth Theatre downtown. It's so great. There are no seats. You go into this theater and you just stand. They just pack people together. It's very European. Set pieces move on, there's no linear story line, there's just all this amazing visual stuff. Orlando Bloom was there the night we were there. It was great. I love New York for that. They know how to do culture. It was really fun. Everyone was just mingling together."
